

Job Description: SPED One-to-One Paraprofessional

GALS Overview

Girls Athletic Leadership Schools Denver is a network of public charter schools that currently consists of three schools; GALS Middle School, GALS High School, and The Boys School of Denver.

GALS is predicated on best practices in active learning and gender-based learning, and provides a college preparatory education in a supportive environment that fosters the academic mastery and personal development necessary for every student to become a powerful advocate for themselves and leader of their community. GALS provides an innovative and necessary educational option that incorporates health and wellness education to optimize academic achievement, and self-development for middle and high school-aged students. The school follows standards-based practices and classes incorporate an inquiry-based approach to learning, and frequent movement that supports an active-based pedagogy.
