

Job Description: Licensed Mental Health Professional (Counselor, Psychologist, Social Worker)

GALS is seeking a licensed mental health professional to join our Counseling & Wellness team. Candidates bi-lingual or bi-literate in Spanish and English are strongly encouraged to apply. Your values as a clinician must include a commitment to school based and community mental health, a focus on equity, diversity and inclusion, interest in a collaborative approach to student and family support, and experience with creative arts and somatic approaches to counseling.

Girls Athletic Leadership Schools Denver is a network of public charter schools serving students in grades 6 through 12 in GALS Middle School & GALS High School. GALS is predicated on best practices in active learning and gender-based learning, and provides a college preparatory education in a supportive environment that fosters the academic mastery and personal development necessary for every student to become a powerful advocate for themselves and leader of their community. GALS provides an innovative and necessary educational option that incorporates health and wellness education to optimize academic achievement with a focus on identity development. The school follows standards-based practices and classes incorporate an inquiry-based approach to learning, and integration of movement in academic programming.

Position Overview: The Counselor is responsible for individual and group counseling for general education students as well as consultation and collaboration for students with IEPs. Ideally, the counselor is biliterate in Spanish and English and provides culturally relevant counseling and programming for Spanish speaking students and families. The counselor supports the daily functioning of the Counseling & Wellness department through crisis response and administrative duties as assigned. The counselor translates relevant documents, builds culturally relevant resource bank and community partnerships.
